RE: FOIA Case No. 2019-FPRO-01084

Dear Ms. Best:

This responds to your Freedom of Information Act (FOIA) requests dated June 24, 2019 for access to Postal Service records. In particular, you requested copies of Memoranda of Agreement (MOAs), Memoranda of Understanding (MOUs), memoranda of agreement or other liaison, information sharing or prisoner/detainee transfer agreements or delegations of authority with or involving Immigration and Customs Enforcement signed or otherwise put into effect between March 1, 2003 and the present.

Based on the description of records requested, we contacted responsible persons in the Law Department at National Headquarters about your request. Our Law Department officials advised that their Department does not maintain the types of records you are requesting. Consequently, there are no responsive records to your request.

In addition, we learned that records responsive to your request may exist with the office of the Chief Postal Inspector also located at our National Headquarters. We understand that your FOIA request that was received by the U.S. Postal Inspection Service is seeking the same records as in your June 24, 2019 request directed to the U.S. Postal Service. You may contact the FOIA Requester Service Center for the Inspection Service at 202-268-7004 with any questions you may have.

If you are not satisfied with the response to this request, you may file an administrative appeal within 90 days of the date of this response letter by writing to the General Counsel U.S. Postal Service 475 L'Enfant Plaza SW Washington, DC 20260 or via email at [FOIAAppeal@usps.gov](mailto:FOIAAppeal@usps.gov). Your appeal must be postmarked or electronically transmitted within 90 days of the date of the response to your request. The letter of appeal should include, as applicable:

- (1) A copy of the request, of any notification of denial or other action, and of any other related correspondence;
- (2) The FOIA tracking number assigned to the request;
- (3) A statement of the action, or failure to act, from which the appeal is taken;
- (4) A statement identifying the specific redactions to responsive records that the requester is challenging;
- (5) A statement of the relief sought; and
- (6) A statement of the reasons why the requester believes the action or failure to act is erroneous.
